

Part 2: The Mathematics: What Do We Talk About?
Chapter 3 (Mathematical Concepts)

What is the difference between conceptual knowledge and procedural knowledge?

Part 2: The Mathematics: What Do We Talk About?
Chapter 3 (Mathematical Concepts)

What is the difference between conceptual knowledge and procedural knowledge?

Chapter 4 (Computational Procedures)

What are computational procedures and why should we engage in talk about them?

Chapter 4 (Computational Procedures)

What are computational procedures and why should we engage in talk about them?
